

Ambassador Program

Student Ambassador Program

We would like to select two Student Ambassadors to be “the face” of the Student Hunger Drive during 2015. This student will handle the majority of media interviews during the drive and must be available at Student Hunger Drive events, as well as possible interviews, outside of SHD events. Obviously, this student must be well spoken with a comprehensive grasp on hunger locally and needs to feel comfortable in front of the camera. For years, the responsibility of communicating with the media has been left to SHD staff members. We feel strongly that the community wants to hear from our students...directly. This would be an incredible opportunity for students and would look incredible on college applications/resume’.

Student Ambassador Application Process:

- Each participating high school may nominate ONE Student Ambassador Candidate
- Nomination and recommendation letter from YOU, the student’s SHD advisor
- The student must submit a personal bio
- Essay - The essay portion will consist of two questions. Answers to each question will be limited to not more than 500 words
 - Question #1 – What does the Student Hunger Drive mean to you and your community?
 - Question #2 – If given the chance, what would you do to stop hunger in our area?
- The top 10 candidates will be interviewed. Date and location TBD
- DEADLINE FOR NOMINATION: **CONTACT SCHOOL ADVISOR FOR THIS YEARS DATE** (Student essay, bio, advisor recommendation MUST be received by this date).

If you would like to submit your nominee to me sooner rather than later, I would be happy to accept the information at ANY time! Information can be emailed to me or mailed to the SHD.
